JOE WHITE GETS READY TO MEET DICK O'BRIEN

Heavyweights Clash Monday Night at Southern A. C. in Eight-Round Mill-O'Brien Arrives With Manager.

BY BOB PIGUE.

BY BOB PIGUE.

Joe Dawson White, a pretender to the throne now occupied by Jack Dempsey, will make his second start before Memphis fandom Monday night at the Southern Athletic club, when he meets Dick O'Brien, of Cincinnati, in an eight-round glove contest. White is putting on the finishing touches to his training and announces that he will be ready when the gong sounds Monday night about \$130 o'clock.

O'Brien, accompanied by his manager, Biddy Bishop, arrived from Cincinnati Saturday and went through a light workout Saturday afternoon. Both White and O'Br an will box several rounds at the club Sunday afternoon by way of rounding into shape.

WHITE IS FAVORITE.

WHITE IS FAVORITE.

When the two heavies enter the ring Monday night White will be the favorite of local fans, who will back him with their kale, owing to his good showing against Texos Tate here some time ago in his maiden voyage on the pugilistic high seas.

In that mill White proved that he has the makings of a stellar performer with the gloves, and after another couple of months of good work he has improved to such an extent that he is figured to take 0 Brien's measure without any great amount of difficulty.

White is an aggressive youngster who has his face polated toward the East, and is looking ahead to the time when he climbs up into the ranks of the beadliners of his poundage. At the present White is only an eager youngster with a fighting heart, and a willingness to tear in and give an opponent all he has. He proved against Tate that he could take a punch as well as land one, and in his approaching meeting with O'Brien he is counting on outpointing O'Brien even more decisively than he did Tate.

White is under the managerial wing of Blacky Raggio, and Blacky says White is a sure winner Monday.

O'BRIEN A BIG ONE.

O'Brien will enter the ring carrying nore poundage than White, for he is he nearest approach to Jess Willard in here in a long time.

O'Brien is a tough, two-handed fighter, and is counting on stopping Whiter, and is a full-blooded Irishman, and loves fighting like he does his three hots a day, so a mill full of action may be counted on by fans.

In the semiwindup two negro heavies, George Godfrey and Baby Doil Green, are down for six rounds or less. That the mill will not go the distance is the statement of both conestants, who say they are going to stop each other. There will be two bouts of four rounds each in addition to a battle royal.

CHRAGO, July 17.—President Tear-ncy, of the Western league, has rein-stated Manager Kelleher and Second Baseman Connelly, of the St Joseph club, after fluing them \$100 each for assaulting Umpire Lipi during a game at Des Moines last Sunday. Kelleher and Connelly were out of the game for four days.

ilinue the unequal fight, but his plea was unavailing.

It was clearly a fight in which brute strength was pitted against age. Burns is nearly 13 years older than Beckett, and he had not engaged in a big boxing match for many years. Three months of hard training had not reduced his waistline, and he appeared to be sluggish when the fight began.

It seemed that Beckett could have ended the bout in the second round, when Burns to save himself repeatedly clinched, after having received a series of blows to the head and body. Weertheless the ex-champion came back in the third and this was his best round. He outboxed and outmaneuvered round with the could not the old-time steam, and he could not hurt his rugged opponent.
